GH94

GH94 Plant Trailer

The GH94 is the latest addition to our plant trailer range. With a 9' x 4' platform, the GH94 is of welded construction and is fitted with a 16° ramp. Offering a generous payload of 2210kg, with a maximum gross weight of 2700kg and an unladen weight of only 490kg, the GH94 is ideal for customers with a restricted towing capacity.

A thick resin coated plywood platform (24mm) makes this trailer particularly suitable for carrying rollers.

The additional length of the trailer provides extra loading space behind the rear axle, which better suits machines with a more central centre of gravity, such as the increasingly popular range of one tonne hi-tip dumpers.

The length provides more space for carrying excavator buckets and caters for excavators with longer dipper arms.

Wide 195/55R10 wheels provide a really low centre of gravity and a low loading height.

Features:

- 16° Ramp - Generous loading angle
- 24mm thick resin coated plywood platform
- Walk-on steel treadplate mudguards
- Spring assisted ramp with integrated ramp supports
- Five pairs of 500kg lashing points per trailer
- Raised bucket rest with lip
- Fully welded and galvanized chassis
- LED front marker lights.

Bucket Rest

Raised bucket rest with lip for excavator teeth.

Spring Assisted Ramp

Spring assisted, for safe and easy lowering and raising of ramp. Self supporting ramp, no need to deploy prop stands.

Steel Mudguards

Strengthened walk-on steel treadplate mudguards. Strong and convenient for operator use.

Trailer Dimensions

Interior Width	1236mm / 4'
Interior Length	2795mm / 9'1"
Loading Height	353mm / 1'1"
Unladen Weight	490kg
Gross Weight	2700kg
Payload	2210kg

Product design, descriptions, colours, specifications etc. correct at time of going to press. We constantly strive to improve our products, and from time to time this may result in changes to our range or to individual models. Please check that design, description, colours, specifications described in this brochure are still valid at the time of placing an order.

Our distributors have extensive product knowledge and will be pleased to offer assistance in the selection of your trailer.
